BINDERS

The Centralia School District understands that the cost of a quality binder can be pricey. Therefore, we will be supplying each student with either a 1 1/2" or 2" 3-ring binder. (There is no need for students to collect a new binder if they still have their binder from the previous school year.) We are asking for a donation of \$2 to Chester Boren Middle School for these binders.

**** There may be additional supplies that students may need for specific classes throughout the school year. The students will be made aware of these needs before the dates on which the supplies will be used in class.**
